

ONE HEDDON ST

Work. Space. Redefined.

One Heddon Street is Central London's new flexible workplace for professionals, start-ups and entrepreneurs with over 300 desks in the heart of Regent Street.

One Heddon Street is not only beautifully equipped and finished, but built with your wellbeing in mind – achieving a Gold standard WELL certification – to keep the most important part of your business at their most productive and healthy. With an ambience where you can work, network, share and learn, One Heddon Street is modern business in practice.
